Excellent. ; 4. Excellent.; 6. Yes.</p> <p>5. Subject to the condition that more time ought to have devoted in the matters of problems faced by the presiding officer of the CBI Courts while dealing with the pending cases before him in CBI Court.</p> <p>7. As it has covered all the aspects which are necessary in conducting day to day court proceedings.</p> <p>12. Structure of programme was logical but sequence requires improvement to avoid overlapping of subjects.</p> <p>13. To some extent.</p> <p>14. Two the sessions must be for topics: 1.Right of accused though there is so much law on this topic, 2.Duties and accused there is least research on this topic.</p> <p>15. Very good.</p> <p>16. 3.	<p>Kindly make and Suggestion you may have on how NJA may Serve You better and make ifs Programme more effective</p>	<p>1. Only suggestion is that programmes should be made shorter.</p> <p>2. Period of training should be increased, 2. Library reading should be for more time/period, 3. Group discussion among participants.</p> <p>4. Period of training should be increased. Library reading should be for more time. Group discussion among participants.</p> <p>5. NJA Bhopal may hold Regional Educative Programmes with the aid and assistance of Regional Judicial Academies.</p> <p>6. Duration of programme can be shortened though they are interactive in nature generally</p> <p>7, 10, -- Respondents did not respond.</p> <p>8. Provide reading material.</p> <p>9. Keep it up.</p> <p>11. Existing facilities in NJA and the programmes are good .enough.</p> <p>12. Duration of programme be extended by 2 days while reducing the time zone of</p>

		<p>sessions to improve the learning etc.</p> <p>13. By arranging group study session.</p> <p>14.NJA should explore to make flexible fundamental principle of criminal jurisprudence so big person /high official will not be able to exploit the sanctified criminal jurisprudence principle.</p> <p>15. To know the present problems of each Judge and to sort it out ,relating to the running of his Court.</p> <p>16. NJA has programmed properly in all aspects regarding Prevention of Corruption Act 1988. We are fortunate to express our thoughts with other state CBI officers which makes national integrity and unity.</p> <p>17, 18, 19, 21, 22, 25,-- Respondents did not respond.</p> <p>20. Library reading and computer still session should be specific.</p> <p>23. Some experienced and senior trials Court Judges on the subject may more be involved than the practicing advocates.</p> <p>24. Certain areas like Cyber and Forensic are more challenging and thus requires more time to these areas, Experts CRPs were competent but the duration was very less. Frequency of such training should be more and sufficient time should be devoted to newer field.</p> <p>26. Please a move be made to decentralize the NJA, so that many may be given opportunity especially to take benefit of training. as such in my view a branch of NJA, it be located centrally in every zone. Especially an option be given to the participants instead of direction to take part in training programmes.</p> <p>27. Respondent did not respond.</p> <p>28. Refresher course for CBI Courts should be organized from time to time to update its Judge about the latest Law /Judgments of Hon'ble Apex Court as other Hon'ble High Courts.</p> <p>29.Library reading & computer skills session should be specific goal oriented.</p>
4.	<p>Any other Suggestion / remarks</p>	<p>1.Some room facilities be upgraded like providing Fridge, Toilets be upgraded.</p> <p>2. There should not be norms for disposal of cases in C.B.I. 13. We learn well & this type of refreshing programmes very useful for us because we can solve our problem satisfactorily without any hesitation.

14.1. Academic exercises & training should be moulded to the following that guilty persons should be convicted and innocent be acquitted, 2.Accused right are too much emphasized but there is minimum research for duties of accused at all stages of Criminal proceeding from investigation, inquiry to trial.

15. 1.There should not be any disposal norms in the CBI Courts all over India considering the number of charge sheet witness and documents served and poor pendency of cases, 2.Poor disposal in CBI Court should not stand on the way in giving promotion and posting, 3 Judge having practical experience in trial of Criminal Cases for more than 15 years should only be posted in CBI Courts.

18. Programmes on offences investigated by State Economic Offence Wing.(EOW) Cases trial Table under the income tax Act, 2. 20. Material reading latest cases relating to bribe and corruption cases should be provided to CBI Judges. Efficient prosecutor should be appointed for conducting CBI Cases.

	<p>21. Attempt is true sense should be taken to introduce and improvement of Hindi as a language of communication at the level of Academy.</p> <p>22. Cyber and Forensic Science. training more required.</p> <p>23. The schedule of the programme should be communicated to all the participants in advance. The training programmes will be more effective, if training will be imparted by sitting Hon'ble Judges of the Supreme Court and practical training is imparted in the matters like Cyber Crime and Forensic analysis.</p> <p>26. Frequency in training be avoided.</p> <p>27, 28, --- Respondents did not respond.</p> <p>29. Not more then 20-25 cases should be there in a CBI Court.
