Experts on budget preparation like those in the finance ministry may also be included. Just asking judges to speak on budget preparation, building management does not help. 15. Participant did not comment. 16. Kindly arrange such programmes for PDJ in particular on regular basis. 17. I suggest that the sessions of programme should be around to deal the subject for 45 minutes and the participants should be given only 15 minutes for deliberation. 18. NJA requires more experts on the subject; Academicians with positive approach to improve the judicial institution must be called as resource person; Management persons, who have studied the judicial system and the institution must be invited. 19. Participant did not comment. 20. No. 21. The trainees officers shall be allowed to share their experiences and the judges/guest speakers shall clarify whether they are right of wrong. 22.
