| 5 | <p>Kindly make and Suggestion you may have on how NJA may Serve You better and make the Programme</p> | <p>1. The duration must be not less than 5 days because participants travel a lot. More so that some other topics can be added for that purpose.</p> <p>2. NJA served me satisfactorily except hospitality services who do not care for reasonable things and manner as per instruction of NJA.</p> <p>3. Duration of programme may be extended.</p> <p>4. The service provided by NJA is according to me is excellent. Hence no suggestion from me.</p> <p>5. 1. This type of programme may be increased for other Acts like Juvenile Justice Act; 2. The duration of the workshop should be</p> |

more effective:

increased.

6. NJA is the parent Academy, right under the aegis of the Hon'ble Apex Court and what I have heard is that this is the best academy and I found it too.

7. Frequent conduction of the programmes on various aspects under Acts and provisions are required.

8. NJA have been successful in whatever programmes they organized and we have gained a lot in attending the training/workshops conducted by them from time to time. It is a place which attracts attention and a place which reminds me of knowledge and prestige.

9. NJA should regularly organize programmes on topic which are relevant and prevalent in the Society.

10. The training programme should be more than two days for gaining more; NGOs and other social reformer must be added in the programmes.

11. i. Programme structure should be more than two days; ii. Session should be bifurcated as Act. Chapter wise the implications and judgments also ; iii. NGOs and other social reformers must be added to these sessions.

12. Training should be for more than two days; Session should be bifurcated chapter wise then implication ; Deliberation must in both languages, Hindi and English; Must include some social workers/NGOs.

13. 1. The number of participants should be increased to have divergent views; 2. The water in the swimming pool was not clean; No adequate number of balls at the lawn tennis ground.

14. As far as PC & PNDT Act Course/Programme is concerned, it is suggested that "MTP Act" may also be included so that the participants get an overview of the subject in entirety; "Appropriate Authorities" under PC & PNDT Act in this programme for effective implementation of this Act.

15. This type of programme may kindly be conducted in a regular and frequent interval. Reading materials should have been given well in advance to every participant via e-mails, post etc. Travelling programme of every participant may kindly be collected well in advance to avoid issues like reservation etc.

16. National Judicial Academy should conduct more of these types of programmes. I have gained immensely from this programme.

17. No such suggestion. Everything was very good.

18. Many more programmes are to be conducted on other enactments.

19. NJA should start a legal magazine for all judges in country.

20. This was my first visit to NJA so far as my experience goes, I think it was quite well organized and was effective.

21. NJA should conduct the training for different judges on different topics on which the judges are not focusing much but the society is suffering so that our knowledge could be enhanced and we would be able to perform better in the field area.

22. More interaction needed.

23. Study material regarding workshop will be provided 10 days before.

Further elaborate session is requested.</p> <p>8. NJA should organize trainings on different Acts, by inviting JOs of different states for effective discussion, to enable us to give our best in delivering our work in day to day business.</p> <p>9.
