Programmes on Access to Justice, Information and communication technology in courts.</p>
--	---

48. 1<sup>st</sup> day seminar headed by Justice K. Kannan. 2<sup>nd</sup> day seminar headed by Justice Sanjeev Sachdeva.

49. All are good.

50. All the sessions had their value and all parts of the programme were relevant.

51. All were useful in day to day office work.

52. All sessions were well drafted and delivered a lot specially sessions by Justice K. Kannan as they were close to ground reality and very practical. I also liked the presentation of Justice Sanjeev Sachdeva. Justice UC Dhyani was very informative as well.

53. Mr. Justice Sanjeev Sachdeva on electronic evidence, cyber law etc. as it was up to date yet succinct.

54. *Session 2: High Court and District Judiciary: Building Synergies-* about building synergies amongst lower judiciary and higher judiciary. I saw such a discussion for the first time.

55. 1. *Session 4: Access to Justice: Information and Communication Technology in Courts;* 2. *Session 5: Access to Justice: Court and Case Management.*

56. Constitutional vision- It made me enhance my knowledge of constitutional vision into my daily working.

57. Updated on electronic evidence.

58. The session on electronic evidence and use of technology in court was useful to facilitate speedy trial in court.

59. The session on electronic evidence was most useful as the same dealt with contemporary issues and challenges faced by a trial judge.

60. *Session 1: Constitutional Vision of Justice; Session 2: High Court and District Judiciary: Building Synergies-* The sessions reawakened me to the vision of the constitution; I felt cared for and as a member of the judicial family after session – II.

61. All parts.

62. *Session 4: Access to Justice: Information and Communication Technology in Courts* – I come to know about usefulness of metadata in appreciating evidence.

63. *Session 5: Access to Justice: Court and Case Management* – because it relates to the day to day functioning of the courts.

64. I found the *Session 4: Access to Justice: Information and Communication Technology in Courts* –most useful as I came to know about the cyber-crimes in modern times.

65. *Session 4: Access to Justice: Information and Communication Technology in Courts; Session 5: Access to Justice: Court and Case Management* – very useful.

66. All the programme.

67. The court management & case management sessions were most useful because there is huge pendency in the courts. This programme will be more useful in expeditious adjudication of all type of cases.

68. Second day programme was very good especially case management session because I learnt how to manage court and deal with cases.

	<p>69. Overall conference programmes was designed beautifully to understand the aspects of current legal issues.</p> <p>70. The last session of the programme.</p> <p>71. <b>Session 2: High Court and District Judiciary: Building Synergies; Session 3: Revisiting Norms for Appellate Review: Consequence of Frequent and Excessive Appellate Interference and Session 4: Access to Justice: Information and Communication Technology in Courts</b> –were very useful as it dealt more with practical issues.</p> <p>72. <b>Session 4: Access to Justice: Information and Communication Technology in Courts; Session 5: Access to Justice: Court and Case Management</b> – we got additional edge to sharpen our skills for effectively working in courts and how court should be managed and most importantly how a judicial officer should work by inculcating today’s available information technologies.</p> <p>73. <b>Session 4: Access to Justice: Information and Communication Technology in Courts; Session 5: Access to Justice: Court and Case Management</b> – both these sessions were full of knowledge and information and will definitely help us in our future.</p> <p>74. <b>Session 2: High Court and District Judiciary: Building Synergies; Session 3: Revisiting Norms for Appellate Review: Consequence of Frequent and Excessive Appellate Interference and Session 4: Access to Justice: Information and Communication Technology in Courts</b> – were very useful as it talked more regarding practical issues.</p> <p>75. All the sessions were very informative and useful for us. But the session about cyber-crime was very enlightening.</p> <p>76. Participant did not comment.</p> <p>77. Session addressed by Justice Kannan as they have been to the point and useful in daily court working.</p> <p>78. <b>Session 2: High Court and District Judiciary: Building Synergies;</b> -because it is directly related to our court functioning.</p> <p>79. <b>Session 5: Access to Justice: Court and Case Management</b> – which was taken by Former Mr. Justice U.C. Dhyani was most useful because it will definitely help in my day to day working.</p> <p>80. Electronic evidence.</p> <p>81. Over all programme.</p> <p>82. Discussion part with Hon’ble Justice Kannan as discussion was easy to comprehend.</p> <p>83. <b>Session 5: Access to Justice: Court and Case Management.</b></p> <p>84. Although, all the sessions were very informative but I find <b>Session 4: Access to Justice: Information and Communication Technology in Courts; Session 5: Access to Justice: Court and Case Management-</b> more useful.</p> <p>85. Participant did not comment.</p> <p>86. <b>Session 4: Access to Justice: Information and Communication Technology in Courts.</b></p> <p>87. All.</p>
--	---

	<p>88. <b>Session 3: Revisiting Norms for Appellate Review: Consequence of Frequent and Excessive Appellate Interference and Session 5: Access to Justice: Court and Case Management.</b></p> <p>89. Interaction between higher judiciary and lower judiciary regarding problems faced by lower judiciary.</p> <p>90. The science &amp; technology session because it updated knowledge and dealt with some new concepts.</p> <p>91. All parts.</p> <p>92. <b>Session 4: Access to Justice: Information and Communication Technology in Courts</b> –being latest and practical.</p> <p>93. Legislators and executives should also be invited in the last session to the make them aware about their duty to provide speedy justice by creating new courts where the pendency is higher.</p> <p>13. Participant did not comment.</p> <p>14. Programme can be made more effective by including more and more discussions regarding the real problems faced in District courts. And to make out rigid solutions for these problems.</p> <p>15. Everything was perfect.</p> <p>16. The standard for conferences and training program set by NJA is based on an ideal court system. If NJA could do a practical survey of the courts it could better understand the situations and conditions in which lower courts judicial officers work. Rest NJA is doing fabulous work to enhance the learning of judges concerned.</p> <p>17. Such type of programmes should be organized on regular intervals.</p> <p>18. Reading material should be provided earlier so that one should study for lectures.</p> <p>19. Some more days for programme and reading material from time to time on current legal problems.</p> <p>20. Case related to Supreme court and High court situation.</p> <p>21. Participant did not comment.</p> <p>22. Judicial officers of Lower court should be given opportunity to address the conference. Some new ideas may come from that side which might make value addition.</p> <p>23. Add other topics like JJB and POCSO.</p>

24. 1. Two days' time is not sufficient it must be for at least 7 days. 2. Many participants could not raise or agitate their doubts.
25. Real problems of District court should be discussed more so that they could be conveyed further.
26. Increase the number of days of conference and topics which are mostly used in day to day work.
27. Participant did not comment.
28. Extend time schedule and add some more topics with data collection at District court.
29. Add other topics like JJB Act and POCSO.
30. Programme can be more effective by addressing day to day court work problems and their solutions.
31. Organization of these kind of programme on regular basis.
32. Participant did not comment.
33. By organizing similar programmes regularly and context of programme should be related more to subordinate courts and daily working of courts.
34. Keep up such programme regularly on new laws especially cyber laws.
35. Doing well.
36. No suggestions.
37. Very well organized and enlightening sessions.
38. These conferences should be arranged on regular basis so that there is more interaction with respect to means, ways, methods to make our judicial system more effective.
39. Participant did not comment.
40. Best experts be involved in this programmes.
41. Arrange such conferences frequently.
42. Advocates should be associated with programme so that they are also sensitized towards their role in delivery of justices.
43. The programme was very effective and very well managed covering most of the important topics. I hope to be part of NJA programmes in future too.
44. As such overall conference is very useful and achieved its purpose but more topics can be added which help in improving our skills.
45. Such programmes should be organized in future also. The programme regarding relationship between bench and bar be also organized.
46. Overall it was a wonderful experience and learnt too many things. Looking forward to the next of such programmes in future as well.
47. In future conference, the schedule and study material be provided to the participants well in time and programme on stress management may also be conducted.

48. By organizing similar programmes. Programmes on personality development, stress management and bar and bench relationship

50. The content of programme was well thought. No further suggestions.
51. More time can be given to the programme. 1.5 days appears to be less. Information about programme can be given in advance.
52. Food quality can be better. Hospitality was great. Staff was very helpful.
53. Such programme subject must be intimated at least two months in advance, so that travel arrangements can be made. .
54. NJA conference should be restricted to few people and not a large number of people/judges.
55. Time duration of such conference and frequency can be extended/increased; 2. Study material may be provided in advance.
56. The quality of food in breakfast may be improved. There was no quality food in breakfast.
57. Programme should be for 4 days at least.
58. Participant did not comment.
59. Before the programme views, may be sought from participants regarding the contents/ issues which participants wish to include in the programme.
60. Overall the programme was good. Catering arrangements can be better. Thanks to NJA & UJALA for giving me the opportunity to be a part of this programme.
61. Nil.
62. 1. Duration of the programme may be enhanced; 2. More direct participation by the participants.
63. Time duration of 1.5 days is not enough. It should be at least for 3 days so that it can cover more areas.
64. Please provide better facility for stay at the academy such as fine quality, stay arrangement, room service, cleaning of room so that the participants may attend the training programme/conference without any hassle.
65. Should extend the conference days.
66. More material should be provided.
67. More material should be provide.

86. This was a perfect amalgamation of all levels of judiciary; Session on ICT could be repeated in wake of paperless court vision.
87. No.
88. More lectures on procedural laws intricacies.
89. Sessions must not be longer than one hour.
90. Subject or single topic wise course should be made and lesser member of participants so the session becomes more participative where participants themselves go through the topic and prepare reading material.
91. Route chart assistance be provided; At least one partner/ spouse be allowed to accompany.
92. 1. Kindly make transportation arrangements from main station like Nainital; 2. Some arrangements for family of participants particularly for small kids.
93. Such types of conferences must be conducted at regular intervals.
94. It is humbly requested that the programme should include one session on the changed/ amended / newly issued acts.
95. Please arrange one week programme in future at NJA. Kindly provide suitable accommodation to the officers & their families. Kindly provide water in auditorium & at training hall.
96. Let there be one session involving participants as presenters based on topics chosen by and deliberated upon by their groups.
97. Rooms should not be provided to the officers on twin sharing basis. Water should be provided to the participants in the conference hall.
98. Participant did not comment.
99. NJA should publish a journal for judicial officers sent by email to judicial officers & judges.
100. The topics in present sessions were remarkable and so apt and included many things which were never talked of. Trusting, whatever more will come, will be new & enriching.

	<p>101. There should be transport facility for the participants who are residing outside the Academy with their families preferably, participants should be allowed to stay in the Academy with spouses if they are accompanying him/her. Water should be served during sessions.</p> <p>102. Please serve water in the auditorium; Kindly give accommodation for staying in the hostel which is most urgent.</p> <p>103. There is a lot of scope for improvement.</p> <p>104. Study material may be mailed to participants in advance through e-mail etc.; Duration of programme may be extended.</p>
