MANAGEMENT

- Elements of management
 - Planning
 - Organising
 - Directing
 - Co-ordinating
 - Controlling

As propounded by the Management Guru, Peter Drucker

The best way to predict the future
is to create it

- Peter Drucker

MANAGEMENT IN THE JUDICIARY – MODEL COURT

- Non-value added items – big rocks
- Core competence – specialist Judges/court managers
- Time Management – 80/20 rule/ time frame
- Procedural simplification – codes / rules / moon story
- Paradigm shift – CBI
- De-centralization – Service / Law clerks
- Latest first – Frivolous suits / false defences / snake story
- Sharing best practices – emulating the habits of the most successful persons
- Systemic challenges - Circle of control, influence & concern
- Single (what) / double (why) loop thinking – Goal vs. Task / change task to reach goal / painter, singer story
- Performance related promotions - PRP
- Judicial Social Service – CSR / Legal aid & Legal services
- Continuous education – The National Centre for State Courts, US
- TEAM – Lawyers and Judges / Leadership training

Think Globally Act Locally

WHAT IS CASE MANAGEMENT?

Practitioners and Judges becoming better at what they do – i. e.,

Achieving the same end with less resources and in less time.

How to do
MORE with less

- Lord Justice Woolf,
Master of the Rolls, UK

To be a success in any thing –

Be Daring Be First Be Different

CASE MANAGEMENT - for what?

- Improving efficiency
- Reducing delays
- Cutting costs

Judges who think they are too busy to manage cases are really too busy not to. Indeed, the busiest Judges with the heaviest dockets are the ones most in need of sound case management practices.

- William Schwarzer

AREAS OF CASE MANAGEMENT

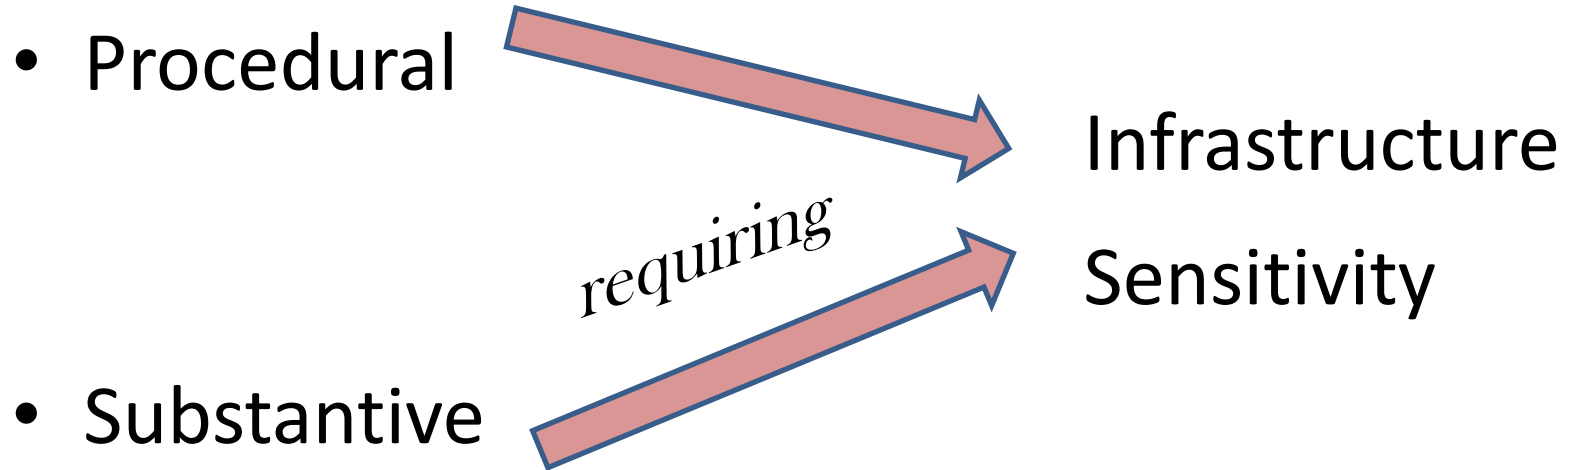

- Length of time for each step
- Defining issues in dispute
- Listing cases
- Pre-trial Conference
- Setting a time-table deadline

No case is inherently complex or protracted.

Cases are made complex or protracted by inefficient practices

- Chief Judge, Alfred Marrah, Federal Court, USA

Ambit of Case Management

Human mind is like a parachute;
It works only when it is open

STAGES OF CASE MANAGEMENT

- **Plaint**
- **Service**
- **Interim Applications**
- **Ad-Interim relief**
- **Returnable date**
- **Rejection of Plaint**
- **Court Commissioners**
- **Oral applications**
