4.	Kindly make any suggestions you may have on how NJA may serve you better and make its programmes more effective	<ol> <li>Physical programme is much more effectual and productive as it will include group discussions which will help to participants develop more interactions.</li> <li>Such programme may be arranged on a regional basis.</li> <li>By having programmes in physical form rather than VC, as it helps closer interaction and even more effective participation.</li> <li>This type of programme would be more useful through physical participations of deliberation.</li> <li>We should think of publishing a newsletter or a short synopsis of wary seminar having a concise summary of the discussions and the law discussed.</li> <li>None.</li> <li>It is useful to newly appointed judges of High Court.</li> <li>None.</li> </ol>
