### VIII. GENERAL SUGGESTIONS

1. Three most important learning achievements of this Programme	<p>1. 1. It was a great experience for me, particularly because, being a person who got recent entry to the judiciary, the materials introduced to me are of immense help for me to know more about the process of adjudication; 2. Got practical lessons to deal with various kinds of situations; 3. Got the opportunity to interact with persons with rich experience in the field and to know their line of thinking.</p> <p>2. 1. Clarity in my vision; 2. Both understanding of the subject; 3. Practically.</p> <p>3. 1. Independence of judiciary; 2. Pragmatic approaches in decision making; 3. Jurisprudence of interpretation.</p> <p>4. Innovate; Strike a balance; It is always not required to be bogged down with precedents.</p> <p>5. None.</p> <p>6. 1. It gave new ideas and insights on the subjects discussed; 2. A very effective interaction was held on each of the subjects; 3. The entire programme was highly motivational and inspiring.</p> <p>7. 1. Scope for insight, foresight &amp; introspection; 2. Wide area for developing law with in stature; 3. Sensitization on the virtual issue about collegiality among judges, which is not addressed perhaps addressed to in true spirit, across the country.</p> <p>8. Acquired new ideas in the braches of Interpretation, Administration and Independence of Judiciary.</p>
2. Which part of the Programme did you find most useful and why	<p>1. <b>Session 3: Jurisprudence of Interpretation; Session 4: Pragmatic Approaches in Decision Making.</b></p> <p>2. <b>Session 2: Independence of Judiciary; Session 3: Jurisprudence of Interpretation.</b></p> <p>3. Pragmatic approaches in decision making. This is because it gave us motivation to decide cases based on the expectations of the larger sections of the society and our life experience to decide and interpret law.</p> <p>4. All the sessions were very helpful and enlightened me in my issues.</p> <p>5. None.</p> <p>6. <b>Session 4: Pragmatic Approaches in Decision Making-</b> because of its usefulness in daily work.</p> <p>7. <b>Session 1: Administration and Leadership Skills: Conferencing and Collegiality among Judges</b> – As it is not preview in letter and spirit but most relevant.</p>

	<p><b>8. Session 3: Jurisprudence of Interpretation; Session 4: Pragmatic Approaches in Decision Making.</b></p>

<p>4. Kindly make any suggestions you may have on how NJA may serve you better and make its programmes more effective</p>	<ol style="list-style-type: none"> <li>1. Physical interactions would have provided more effectiveness.</li> <li>2. Solutions to the issues/problems raised be also suggested, and how they may be effectively implemented.</li> <li>3. Those judges who had decided cases which didn't have precedents at that relevant time and how they decided. Maybe some cases were controversial at that point of time and how they were able to decide it. Those judges also may be invited as resource persons to share their experiences.</li> <li>4. Please consider uploading the program in the website of NJA so that the same can be viewed later on by any interested judicial officer irrespective of whether he was a participant or not. Portions missed out by participants due to technical glitches can also be viewed; The reading material is also extremely helpful. Please consider uploading them too for the benefit of all.</li> <li>5. None.</li> <li>6. By providing more time for interaction.</li> <li>7.
