VIII. GENERAL SUGGESTIONS	
1. Three most important learning achievements of this Programme	An in depth study of each of the topics by the faculty members of NJA and circulation of rich and useful study materials; There was enough scope of interaction among the participants; Wise selection of resource persons who imparted very effective and useful information on the topics.
2. Which part of the Programme did you find most useful and why	Session 3: Recognition & Enforcement of Arbitral Awards and Session 4: Current and Emerging Trends in Domestic and International Arbitration - because of the importance and relevance of the topics and the speakers who spoke on those topics.
3. Does the programme need further modulations or change	Not required.
4. Kindly make any suggestions you may have on how NJA may serve you better and make its programmes more effective	NJA programmes are excellent.
