Session 2: Identifying Challenge & Culling out Best Practices – (Group Activity); Session 3: Liabilities and Obligations in Transplantation of Human Organs: Scope & Limits; Session 4: Application of Judicial Mind to Evaluate Forensic Evidence: Judge as a Gate-Keeper and Session 5: Impact of Technology on Forensics Evidence and case law Jurisprudence.</p> <p>11. Session 2: Identifying Challenge & Culling out Best Practices – (Group Activity); Session 3: Liabilities and Obligations in Transplantation of Human Organs: Scope & Limits – are most useful for me, since I learnt new enactments. Both acts are not used in our state though. But time will come after these will be present in all strata of the society.</p> <p>12. All.</p> <p>13. Session 4: Application of Judicial Mind to Evaluate Forensic Evidence: Judge as a Gate-Keeper - because it is very useful in judicial working.</p> <p>14. Forensic part.</p> <p>15. Forensic part & DNA.</p> <p>16. By Hon’ble Ms. Justice Mukta Gupta.</p> <p>17. Session 1: Fundamentals of Medical Forensic Law and Medical Negligence: Setting the Context; Session 2: Identifying Challenge & Culling out Best Practices – (Group Activity) – Helpful in our day to day work.</p> <p>18. Latest case law and PPT presentation on subject material.</p> <p>19. DNA technology; It is being used of late in many latest cases.</p> <p>20. All sessions were very relevant.</p> <p>21. Session 4: Application of Judicial Mind to Evaluate Forensic Evidence: Judge as a Gate-Keeper and Session 5: Impact of Technology on Forensics Evidence and case law Jurisprudence – Helpful for our day to day work.</p> <p>22. Session 2: Identifying Challenges & Culling out Best Practices – (Group Activity) – Because it is part when matter going on before the court.</p> <p>23. Forensic evidence evaluation.</p>

	<p>24. None.</p> <p>25. All of them are very useful.</p> <p>26. DNA Technology. The insights and guidance provided by the resource persons was highly useful which would help me a lot in my working.</p> <p>27. All the sessions were important and relevant to our day to day working and gave me a broader vision to analyze the evidence and the necessary factors to be kept in consideration while examining an expert.</p> <p>28. Application of judicial mind to evaluate forensic evidence.</p> <p>29. All. New learnings.</p> <p>30. Discussion on application of judicial mind for evaluating scientific evidence. This is always required in the courts.</p> <p>31. Session 4: Application of Judicial Mind to Evaluate Forensic Evidence: Judge as a Gate-Keeper and Session 5: Impact of Technology on Forensics Evidence and case law Jurisprudence. – Are most useful because they are more related to our daily work.</p> <p>32. I particularly enjoyed the presentation of Justice K. Kannan and Dr. Jayanthi Yadav.</p> <p>33. Entire programme was linked and topics were closely connected so whole programme was very useful.</p> <p>34. Session 3: Liabilities and Obligations in Transplantation of Human Organs: Scope & Limits – Because it was new field for me; Session 4: Application of Judicial Mind to Evaluate Forensic Evidence: Judge as a Gate-Keeper – Both sessions very good; Session 5: Impact of Technology on Forensics Evidence and case law Jurisprudence.</p> <p>35. <p>4. Kindly make any suggestions you may have on how NJA may serve you better and make its programmes more effective</p>	<p>1. Race for learning has no finish line and I wish to be the first one in this race. Looking forward for more such intellectually enriched learning sessions. Thank you.</p> <p>2. Looking for such sessions in future.</p> <p>3. The present one is effective.</p> <p>4. Case study method may be incorporated more.</p> <p>5. 1. Please mail the learning materials and the detailed programmes sufficiently early so that a glance can be had. 2. Please hand over the evaluation form along with other materials so that we will be able to evaluate and report it properly. Thanks to the co-ordinators.</p> <p>6. Academy should arrange the Hindi speaking resource persons also.</p> <p>7. Have longer sessions to cover greater number of topics.</p> <p>8. The programme and the subject matter is very excellent.</p> <p>9. No suggestions.</p> <p>10. None.</p> <p>11. Before coming to NJA. If someone is a first timer, a call of convenience may be done. So that new one will not find strange himself for first few hours.</p> <p>12. NA.</p> <p>13. Present programme is very useful. In future also programme which is very frequently used in working may also be included.</p> <p>14. None.</p> <p>15. TV screen should be enhanced in numbers in classroom.</p> <p>16. These seminars are indispensable for core competency capacity building.</p> <p>17. None.</p> <p>18. Yes, more practical material & trial court case material.</p> <p>19. Nil.</p> <p>20. Programme organized by NJA are always useful and effective.</p> <p>21. Can provide more training on digital evidence, cybercrimes.</p> <p>22. Everything is good.</p> <p>23. The scheduled time should be more; as the topic selected requires more focus and discussion.</p> <p>24. Duration of the course should be longer.</p> <p>25. None.</p> <p>26. Very effective and elaborate. I can only wish good luck to the Academy for doing a wonderful job.</p> <p>27. Since the subject of programme is vast so few more sessions would have made much more difference and the subject could have been dealt in more detail.</p>

	<p>28. None.</p> <p>29. Please improve the duration & permit the family accommodation.</p> <p>30. No.</p> <p>31. Working time should be extended at least there should be 3/4 sessions on second day also.</p> <p>32. Workshop period is too short. My humble suggestion is that the period may be extended so that we get more advantage and information.</p> <p>33. More focus should always be given on practical side than theory and this programme was so designed that it accomplished its goal and I want to express my gratitude to all resource persons, speakers and all research fellow and law associate of NJA Bhopal.</p> <p>34. More days of training are required.</p> <p>35. More time needs to be assigned for the topics.</p> <p>36. Programme is overall very comprehensive.</p> <p>37. More and more practical experience and knowledge should be shared by Resource Person.</p> <p>38. More of the day to day difficulty faced by the trial courts could be discussed.</p> <p>39. The participating judges/officers should be allowed to come and stay with spouse.</p> <p>40. None.</p> <p>41. Nothing.</p> <p>42. Too short programme; at least four days on one programme.</p> <p>43. None.</p> <p>44. This programme has expanded my knowledge immensely and is very helpful. It will be much better if the programme is more based on the judges/justices experience/problems faced when confronted with such cases and how to deal with it. So, the explanation and lecture given by Justice Mukta Gupta was very helpful as it was court based, the challenges we will face in court.</p> <p>45. Everything was excellent.</p>
