Every part of the programme was useful.</p> <p>40. <b>Session 5:</b> <i>Safeguarding Judicial Institutions from Cyber-attacks-</i> Interactive and thought provoking.</p> <p>41. All sessions were useful but the last session was must.</p>
<p>3. Does the programme need further modulations or change</p>	<p>3. Topics an mobile to be covered exhaustively in 2 days.</p> <p>7. Programme should focus on more relevant functioning of day to day court work and to solve the difficulties prevailing at District judiciary.</p> <p>15. Brief contents of the subject covered by the topic of training may be sent to trainer officer before the programme.</p>

	<p>16. These kind of programme should be held at regular interval, depending upon farther development of IT.</p> <p>18. Satisfactory content, considering the time constraint.</p> <p>19. Duration be increased.</p> <p>22. Software specific training is required.</p> <p>35. Frequent sessions of this nature will help to improve My skills.</p> <p>36. Programme should be extended so as to cover more expertize.</p> <p>37. The duration of programme could be extended at least for one more day. Also, there could be some practical exercise/ case studies.</p> <p>38. The time period may be increased to allow the participants to interact with each other.</p> <p>39. Suggest to extent the schedule for at least a week.</p>
<p>4. Kindly make any suggestions you may have on how NJA may serve you better and make its programmes more effective</p>	<p>7. Programme for judicial officer should be more in regular basis with increase in number of days of participation so that programme can run with more sharing of knowledge depth by both sides.</p> <p>9. Though new techniques.</p> <p>10. Kindly provide the reading material in advance.</p> <p>11. Kindly provide the study material in advance.</p> <p>20. Its really perfect programme carved in a package. Great learning, nice exchange of good practicing.</p> <p>22. There may be more trainings of software used by other high courts so that everybody can get benefit with them.</p> <p>26. More time shall be given to the programme we may increase the duration of programme.</p> <p>27. As regard to hostel. To provide bathroom slipper &amp; towel in bathroom, but programme very good.</p> <p>28. May here more sessions in ICT on practical project.</p> <p>32. Relate it to present rules &amp; laws so that we will get path to implement it more precisely in the field. Apps, AI, Innovation must get support from high court rules &amp; Acts. So it could in used and be legal.</p> <p>33. Two days more would be more beneficial. (In district judiciary we face many problems- 1. Network programme. 2. Staff is not IT friendly. 3. Hardware &amp; software inadequate).</p> <p>34. I request to make the NJA sessions paperless includes this evaluation from.</p> <p>35. NJA should have more virtual sessions so as to reach more judicial officers.</p> <p>36. Overall programme was useful.</p> <p>37. Overall, the programme was very nicely planned &amp; executed, but such programmes on diff. relevant topics could be conveyed for officers more frequently.</p> <p>38. One day orientation programme may be held online as provide to the programme. (Preferably judicial work free day) so that the participant officers have a better idea of what they would learn at the NJA.</p> <p>39. Study materials should be supply well in advance. So participant sit to go through.</p> <p>40. Arrange many more programme on regular intervals.</p>
